

Our most important assets don't roll off the belt. They walk in through the door.

The **Motherson Group** is one of the 21 largest and fastest growing full system solutions providers to the global automotive industry, serving multiple further industries, such as rolling stock, aerospace, medical, IT, and logistics, with over 135,000 employees across 41 countries worldwide. **Samvardhana Motherson Reydel Companies (SMRC)** is the group's specialist for innovative car and truck interiors. With facilities in Europe, Asia, and South America, we design, develop, and manufacture complete high-quality interior systems, such as cockpits, centre consoles, door panels, and decorative surfaces for multiple vehicle manufacturers worldwide. Given our fast growth, we are constantly looking for talented new colleagues to become part of our team.
